MEMORANDUM FOR: CHIEF OF CIA PROCUREMENT OFFICE

SUBJECT: OPC Materiel Requirements for Fiscal Years 1952 and 1953

1. This will forward to you an ADPC memorandum of same date and subject, transmitting detailed estimates, and will provide a brief summary of the methods and limitations involved in these data.

2. We regret the failure to meet the deadline set by the ADD/A (S) memorandum of 28 July 1951, to which this submission responds. You are assured, however, that every possible effort to meet the target date has been given by this office and by the Machine Records Unit. Under the circumstances, computation by this time has required drastic short-cuts which may reduce the validity of the data. These estimates are believed valid, however, for the beginning 50 per cent procurement action requested, and it is the OPC intention to provide quarterly revisions which will be increasingly firm and reliable.
